A Message from the Abbot

Your four years of training at Marmion have prepared you for the greater battle of life you enter upon graduation. You are fortunate, indeed, that you have been prepared for the physical strife which is at present a part of your life's battle. But you are doubly fortunate in the preparation for a warfare that only ends with death. By a life lived according to the ideals that you have been taught at Marmion you can look forward to a victorious V-Day in your life's struggle.

*Very Reverend
Father Gilbert, O. S. B.
First Prior of Marmion*

Air School

Early in November 30 Marmion Cadets helped to open the new Pre-Flight Division of the C.Y.O. Lewis School of Aeronautics in Chicago's Loop. The Cadets were extremely interested in learning to fly "with one foot on the ground." This has been made possible by a revolutionary new classroom trainer, known as the "Penguin", which simulate all of the conditions of actual flying; the student learns the fundamentals of flight—straight and level flight, climbs, glider, turns, stalls and spins; with conventional aircraft controls and standard instruments.

Cadet Irving J. Grace, Jr., of Marmion, gets acquainted with the new "Penguin" primary flight trainer with His Excellency Bishop Sheil, and Father Joseph O.S.B., Headmaster, looking on.

Five happy Cadets take over the controls.

Cadet Maguire tries a Solo.

Military Staff

The military staff consists of selected men sent here by the war department to further the knowledge of the cadets in military. This year we have only two members of last year's staff with us, Capt. Haugland, band director, and Sgt. F. J. O'Reilly, assistant P. M. S. & T. Two able men joined with these two to make an outstanding staff. These were Capt. J. K. Felts and Sgt. Horton, formerly of the Marion staff and very familiar to the whole corps.

Marion, two years ago, became an honor school and these men, very capable of their position, have been striving all year to reach the height of perfection at which the cadet Battalion is today.

Officers' Club

One of the most outstanding Club which any member of the Cadet Corps can participate in is the Officers Club. The qualifications for membership are an officer in the Cadet Battalion. One of its main duties is the plan of the Military Ball which is put on by the officers each year. The officers meet every Friday and discuss ideas which will better the development of the school.

RETREAT PARADE—Every Friday afternoon the Cadet Corps take part in the colorful Retreat Parade, which shows the Cadets at their best. Here the Cadets prepare to move out on parade and display their ability to dis

Band . . .

To the Marmion band and Captain Theodore Haugland, director of the band, should go all possible credit for the wonderful job they have done in providing stirring music to enable the Cadet Battalion to put on the many ceremonies throughout the year. Without such music as was displayed at all parades by the band the rhythm and excellency of the marching Cadets could not have shone as it did.

On December 8, 1944, the band staged its annual winter concert. Although a snow storm was raging, the band played to a large crowd which thoroughly enjoyed everything. The band showed a growing improvement over former years as they played popular and classical selections with equal ability.

The annual spring concert was held April 8, in the Marmion gymnasium. An even greater improvement over former years was shown by the band, under Captain Theo. Haugland's direction, as they treated

1945 Reveille

We proudly present the 1945 REVEILLE. May you reap as much enjoyment from its pages as we did editing them.

It seems like only yesterday we were planning the annual. The work of publishing the year book passed so smoothly that we hardly noticed the time fleeing.

It was fun working on this year's annual—making posters to get subscriptions—speaking to the various classes—planning the year-book—taking pictures—developing them—writing the various articles—sending this first copy to the printers—proof reading the copies—setting the dummy—then distributing the finished copies.

This year's REVEILLE staff has had the great honor of dedicating this book to the Most Rev. Bishop John J. Boylan of Rockford. The staff sincerely hopes our year book will merit your approval, and be the medium through which the graduating class can recall happy memories at Marmion.

Note from Advertiser—Thanks to Tony Prisco, Joe May, Lee Orso, Frank Michels; without their help this book would not have been possible.

Marmion Cadet

The MARMION CADET has completed a successful season once more as the voice of the school. During the year the CADET has been the outlet of all happenings at Marmion, score sheet of all school athletic contests, and the scandal sheet for some. In his first year as advisor of the CADET, Father Raymond has done a remarkable job in wrangling the articles from reporters, and getting it printed in time for publication. Much of the credit for the fine issues has been given to the cadets when it should be given to the editors and Father Raymond.

The CADET's sport page was always interesting as the teams made such fine records. The "Daylight" and "Bader Line" columns continued in the same fine style as in previous years. Two new columns, "Corridor Comment" and "Glenn's Gleanings", flared on the sport page this year and promise to be very interesting in the future. The front page was taken up by important news of school activities and by the heroic deeds of Marmion boys in the service.

The CADET once again received a rating of 'good' from the National Scholastic Press Association. This was judged from a staff at the University of Minnesota.

Cisca

This society meets Saturday in Chicago under the direction of the Rev. Fr. Caribine of the Queens Work. Several of the Cadets go in each Saturday to attend the meetings. There are representatives of most of the Catholic High Schools in the Chicago area.

At these meetings points of present day importance are discussed by those present. Marmion Cadets always take active part in these discussions. At school these topics are discussed among groups of Cadets, thus helping to spread the idea of Catholic Action among the Cadet Corps.

Due to present transportation difficulties it is impossible for all the Cadets who would like to attend these meetings to go, but the representatives are rotated so that every one who wants to attend may do so at some time.

From time to time meetings are scheduled at school at which the whole Cadet Corps participates in the discussion of some of the points brought up at the meetings.

Sodality of The Blessed Virgin

It has always been the policy of Marmion to foster devotion to the Blessed Virgin, Mother of God. It is the design of the school that all cadets belong to the Sodality of the Blessed Virgin. Accordingly on December the eighth, the Feast of the Immaculate Conception, all the new cadets are annually received into the Sodality of Mary. The reception of the new clients is held by the School Chaplain who is moderator of the Sodality.

Besides fostering devotion to the Blessed Virgin the Sodalists are eager to take part in the Sodality's chief activity for Catholic Action—Cisca.

The Sodality and Cisca as well as the Holy Name Society is under the direction of Fr. Hubert O'S.B., the Chaplain of Cadets.

Holy Name Society

As it is a joy for every Pastor of a Parish to have all his men and young men belong to the Holy Name Society, so also Marmion feels happy in the fact that all the Cadets make the solemn pledge shortly after each new school year is under way.

The pledge is made to the Holy Name Society Moderator, who acts as delegate of the Diocesan Director.

The spirit of the Cadets toward their less fortunate brothers in Christ can be deduced by their generous contributions to the work of the Indian Mission both in money at Sunday Mass and by clothing which they no longer can use. From time to time the Chaplain sends quite substantial sums to the Missions up in North and South Dakota, to the Negro missions in the South, and to the Mission Crusades of which Marmion is a member.

Another practice quite commendable is the "Penny a Day Club" during Lent in which each Cadet contributes a penny a day. Also from time to time other special collections are taken up, such as on Mission Sunday when the contributions are very generous.

This spirit is general among all the Cadets who feel that some day the small amount they contributed will be returned a hundred fold.

PRESENTATION OF TRIBUNE MEDALS

Reading from left to right—Lt. Col. Schardt, Representative of the Sixth Service Command; Lt. H. J. Benson, Capt. J. J. Murray, Mr. Philip Maxwell of the Chicago Tribune, Rev. F. Norbert, O S B

Youth Citizenship Day June 11, 1944

Thousands of citizens from Aurora and the Fox River Valley gathered on the campus on June 11, 1944, for the Ninth Annual Youth Citizenship Day. The day began with the largest youth day parade ever held in Aurora from River and Downer Street in Aurora over the Memorial Bridge on New York street and up Lake Street to the Marmion reviewing stands.

The principal speaker of the day was Lieutenant Colonel A. A. Schardt, representative of the Commanding General of the Sixth Service Command. He spoke

directly to the youth of the nation when he spoke to the youth of Aurora and particularly to the Cadets of Marmion Military Academy.

Cadet Robert K. Fixmer of Aurora spoke on "Training for War", and Cadet Thomas M. Barry spoke on "Training for Peace".

Close order drills were demonstrated by "C" and "D" Companies; Marine Drill, Co. A; Manual of Arms and facings, Companies "A", "B", "C", "D". The drills were put on simultaneously covering the whole drill field, giving the entire crowd a chance

to see how the Cadets perform.

Among the guests of honor were the Honorable Mayor of Aurora, Andrew Carter; the honorable aldermen of the city; and various representatives of the patriotic organizations of Aurora and vicinity.

The colorful and important ceremony of the guard mount, which is, however, hushed and expedited on the battlefield, was presented by Co. "E" and the Band. Following this ceremony the awards won by the Cadets were presented by Wm. Randolph Hearst, publisher of the Chicago

Herald American. Kane County Council Veterans of Foreign Wars presented the Best Company trophy; Mr. Maxwell of the Chicago Tribune, R. O. T. C. medals; the Robert M. Dyer Post No. 20 of the United Spanish War Veterans presented two military proficiency medals. Marmion Military Academy made awards to Cadets for various military achievements.

The great event of the year closed with the firing of the salute gun, the playing of the National Anthem, and the passing in review of the Cadet Battalion.

Mass Servers

One of the most interesting studies of the Mormon Catechists, that of serving the Fathers among the High Mass. This practice is not confined to only the upper classmen; everyone in the school is free to assist in the Sacrifice.

Every week two of the servers are appointed to assist at the Mass at the main chapel where the Cistercians celebrate every day. While this is going on a number of the other servers are helping out the other Fathers over at the altars in the Faculty House.

It is not a "thin position" - he must be a constant communicant and have to be kept checked up on his time. He must read and or sing to the majority all of the Latin prayers required throughout the Mass.

On Sunday when the Corps celebrates High Mass, the outstanding ~~executes~~ ^{executives} are appointed as the assistants to the solemn celebration.

A few times through the year special events such as St. Benedict's day, Palm Sunday, etc., are which require some high Mass to properly pay tribute to them. At such occasions, the pick of the novices is selected. The greatest trial of the year is when a novice is privileged to serve at the Field Mass on Marmion Day.

Beside serving at the MTCs, the employees also act as consultants at Benefaction and Raising Services.

14. Funeral Caskets do not go on a shelf, they are given special privileges by Father Huber, the priest in charge of St. Ann's Church and attending and serving at weddings and funerals in the Aurora vicinity.

Glee Club

Under the direction of Father Ernest, O. S. B., the Glee Club gave its annual winter concert on December 6, 1944, in the gymnasium. The Glee Club, which sang both popular and classical selections, did an excellent job and deserves a lot of credit.

In the spring the Glee Club again treated a very large audience to a fine program consisting of a wide variety of selections. They sang the Parade of the Wooden Soldiers particularly well. Thanks to Fr. Ernest and the Glee Club for the job they have done.

Dramatic Club

The Dramatic Club was organized in 1939 for those taking part in the production of Maimon plays. Membership is not restricted to the cast but includes business and production staffs as well.

This year the group proved its versatility by presenting "Brother Orchid," the story of Little John Sarto, who upon returning from a ten year prison term, finds his gangland throne usurped and that he is to be "taken for a ride". He escapes his would be murderers and takes refuge with the Little Brothers of the Flowers. The Brothers show Little John a kindness and a way of life he never knew possible, and he begins his regeneration by changing his name to Brother Orchid. Brother Orchid's continual use of slang and his propensity for such antics as playing Alexander's Ragtime Band on the Chapel organ startle the Brothers just a little, but they accept him for what he is and he finds happiness with them. His chance to do "something big" come when his former cronies attempt to break into the flower market which is the brothers' sole means of existence. How Brother Orchid handles the mobsters and becomes an unsung hero make the climax of the play.

Social Activities

One of the most important parts of a cadet's life at Marmion is the many social activities. Part of the training received at Marmion is designed to acquaint the cadets with proper etiquette and conduct at social functions. Five dances and afternoon teas were held this year, partly for this purpose and for the enjoyment of all interested.

The Marmion Madonna tea is an informal afternoon gathering, in which the Cadets and young ladies of Madonna High School have a few hours of enjoyment and familiarize themselves with the proper form for dances.

The Football Dance was held on November 1, as a treat to this year's successful team. Each player on the varsity squad was introduced to those attending this swing.

As usual the Junior class presented the Thanksgiving Dance just before the week long Thanksgiving vacation.

The decorations and announcements blended harmoniously with the season.

The Chicago Mothers Club again held their formal dance at the Drake Hotel in Chicago, on April 14. Its popularity is ever increasing and now occupies one of the highlights of the social calendar.

After the Marmion Mothers' basketball game an informal box swing was held in the gym. The victorious cadets and their lady friends had a very enjoyable evening.

The year's social events are climaxed every spring by the impressive Military Ball. All eagerly anticipate the majestic grand march and presentation of the colors on that evening. Throughout the community the Ball is looked upon as one of the most important events in the lives of young people. Pomp and dignity are a standing symbol of the dance, exemplifying Military social life in its richness.

Plebe News

Started two years ago in popular request of the freshman class, the *Plebeian* has developed into a bi-monthly organ of Plebe thought and ideas. It has for its main nature the fostering of literary ambitions among the freshmen, and giving them a chance to display their talents along this line where they can be seen and appreciated. Also one of the foremost objects of the *Plebeian* is supplying the freshmen with a chance to read about their own doings, written by classmates who know what they are interested in.

The *Pirbe News* is very fortunate in having for its

faculty advisor, Father Ernest Schmitt, O.S.B., who has given the Plebe Staff invaluable assistance in matters of news-writing, mimeographing, and arranging the program as well as taking care of the financial department.

The Plebe staff is, of course, restricted to the members of the freshman class, yet even so, it has a long number of eager, ambitious authors striving to make it interesting. The "Cadet" benefits by the *Plebe News* also, as this training received by those on the "Plebe" Staff makes them good prospects for the "Cadet" in following years.

through the Cadet team. After this, play was completely dominated by the Cadets as they ran up 16 first downs to two for the Tommies. Karwoski, Quigley, DuSell, and Clark scored touchdowns to turn the game into a rout.

Marmion 7—Mooseheart 7

The traditional rivals, Mooseheart and Marmion, met on October 15 at the Moose Field to see who would be custodian of "MarMoo" symbol of victory, in this yearly encounter. Mooseheart was a fast, light team whereas Marmion was noted for its rugged line and a hard driving backfield. In the first quarter, before the fans had hardly reached their seats, the Moose set up a tricky pass play that netted 30 yards and a touchdown. Jennings caught the pass and also booted the conversion. In the last quarter the Cadets started to roll and scored on power plays as Lorry Quigley went over for the score. Al Cook converted. The Cadets again took possession of the ball, but the gun sounded, ending the contest.

Marmion 51—Morgan Park 0

The Cadets trounced Morgan Park Military Academy, scoring three touchdowns in the first quarter and proceeded to build up the biggest score made by the Cadet eleven. It was a field

day for the backs as Quigley scored two touchdowns, Karwoski made two, and Clark, DuSell, Corcoran, and Gilbert one apiece. Cook and Gilbert alternated in attempting conversions. The last quarter was played by Nardone's reserves.

Marmion 38—Elmhurst 7

The Cadets romped over a completely outclassed Elmhurst aggregation as the Marmion gridders turned on the heat at the outset of the contest and then coasted to an easy victory. This prepared them for the final game of the season against the tough Naperville Redskins of the Little Seven.

Marmion 6—Naperville 19

On Armistice Day, Marmion continued their rivalry with Naperville and were defeated 19-6 in a battle which surprised the near capacity crowd at the Redskin Field. Dan Dombrowski, pile driving fullback, proved the way for this victory as time and time again he hit the center of the Cadet line. The game prepared the final record of six victories, two defeats and one tie. Seniors playing their last game that day were Jerry McCoy, Joe D'Sa, Gilbert, Corcoran, Dan Karwoski, Al Cook, Lorry Quigley and Neil Fichtel.

Football Banquet

The highlight of the football season came on December 14, at the Knights of Columbus Club house as the football players were awarded for the successful season just ended. The banquet was sponsored by the Marmion Dads Club. It is an annual affair.

The guest speaker was Ed McKeever, head football coach of Notre Dame. Clarence Karley, an alumnus of Notre Dame, was toastmaster. McKeever praised the team for its fine record and spoke of the many advantages that high school and college athletes have given to American young men in uniform. A native of Texas,

McKeever spent his freshman year at Notre Dame; then went to Texas Tech, where he starred as halfback. He later coached at Texas Tech, and Boston College before coming to Notre Dame to succeed Frank Leahy, who accepted a commission in the Navy.

The top event on the program, at least to the boys, was the awarding of letters to those deserving.

Congratulations were given to Jack McCook, Alvin F. Smith, Zebulon Kutz, Clark McCoy, Karwoski, Gilbert, Quigley, Tony Prindiville, DuSall, and Petritch.

Frosh-Soph Had Good Season

Coach Percy Snell's leading Frosh-Soph football team turned in a record of three wins, three losses and two scoreless ties out of eight games played.

After two weeks practice the Kidets played a strong Geneva team at Geneva and came home on the losing end, 13-0. A week later they played the game at West Chicago, 6-0. The Kidets traveled to Elgin and again lost 13-0. At last things began to look up as the fast improving group of youngsters gave East Aurora a 24-0 beating at the Cadets' Athletic field, to be fol-

lowed the next two weeks with a win over Morton Park Military Academy, 13-7 and 18-0. Playing a final game at East Aurora the Kidets played a scoreless tie and ended the season on November 11 at Naperville, losing 7-6.

Coach Snell and Brother Vetter deserve a great deal of credit for the way they brought the Frosh-Soph boys along. Several of these players will go on to the Varsity next year and with the other boys back we expect great things of the 1945 edition of the Frosh-Soph.

Marmion 45—Geneva 32

After a slow start, leading only 27-20 at the half the Cadets roared back in the final half, to capture its initial tilt. Bob Loker hit for nineteen points and scoring honors on eight buckets and three free throws.

Marmion 55—Naperville 31

The Cadets completely dominated play as they gained a decisive victory over Naperville. Bob Loker led the scoring as he sunk nine field goals and two free throws for twenty points.

Marmion 65—St. Thomas 29

In its second home game of the season Coach Ireland's basketball fast-broke a weak St. Thomas of Rockford team to gain their third consecutive win. Lloyd Emge and Neil Fichtel hit for 18 points and 16 points to lead the attack.

Marmion 42—Belvidere 39

With a twenty point splurge in a second quarter the Cadets came from behind to eke out a three point victory. Neil Fichtel and Wally Zibton led the scoring with 16 and 10 points respectively in a hard fought game at Belvidere.

Marmion 43—Joliet 45

Led by Paul Kristoffer, star Big Eight guard, the Joliet eagles came from behind to edge out the Cadets by one bucket. The loss of Francis Jorav to the Army proved the difference between a win and loss. Lloyd Emge led the scorers with 17 points.

Marmion 57—Geneva 27

In a rough game at the Marmion gym, the Cadets trounced Geneva again as four Geneva regulars left the game on five fouls. Lloyd Emge and Bob Loker blazed the trail to victory with 22 and 16 points respectively.

Marmion 54—Morgan Park 2

The Cadets romped to their sixth win as they whipped Morgan Park of Chicago by a decisive 54-25 count. Neil Fichtel and Bob Loker helped the varsity continue their winning ways by contributing 15 and 14 points to the victory.

Marmion 48—Somonauk 46

In one of the closest and most thrilling games of the year Marmion defeated Somonauk in the closing seconds as Bob Loker sank one of his pivot shots. The scoring was almost evenly distributed among the Cadets, but Jerry Voss, star Somonauk forward, garnered twenty-four points to lead all scorers.

MOOSEHEART HOLIDAY TOURNAMENT

Marmion 37—Mooseheart 30

Although the Cadets weren't in any form at all they came back fighting in the third and final quarters to beat Mooseheart, qualifying them for the finals. Bob Loker led the scoring with five and four for fourteen points.

Marmion 43—West Chicago 35

The Cadets, playing slow ball, defeated West Chicago to win the Mooseheart Holiday tournament for the second consecutive year. Lloyd Emge led the attack with 17 points on field goals and five charity tosses. A trophy is to be given the Cadets for their victory when one is obtainable.

Marmion 57—Morris 41

In another rough game in which 41 fouls were called the Cadets scored a 54-41 victory over Morris at Morris. Lloyd Emge led the scoring with twenty-five points as Neil Fichtel and Wally Zibton went out via five fouls in the final quarter.

Marmion 46—Mooseheart 23

Playing without their stellar pivot man, Bob Loker, who had a bad case of pneumonia, the Cadets played dismal ball, winning only because of their superior height. Lloyd Emge led with seven buckets to lead the scoring with fourteen points.

Marmion 50—Somonauk 54

The scoring of Jerry Voss was too much for the Cadets this time as the Cadets lost their second game in fourteen. The scoring of Bob Loker was missed badly as Lloyd Emge and Wally Zibton each hit for 16 points but were outscored by Jerry Voss who hit for eighteen.

Marmion 44—Sandwich 30

The Cadets easily pushed a win over a fair Sandwich team to gain their thirteenth win of the year. Neil Fichtel led the attack with six field goals and five free throws for seventeen points though he fouled out in the last quarter.

Marmion 28—Wheaton 31

In one of the most evenly contested games in the Marmion gym this year, Bud Cohn's Wheaton cage took a three point win to deal the Cadets their third loss. Jack Brunick, all Little Seven guard set the pace for both teams with thirteen points on 5 and 5.

Marmion 41—Marseilles 41

George Ireland's cagers ran up against a stone

wall. The Cadets, however, were not to be deterred. A fast Marseilles team came from behind in the final quarter to annex a victory. Wally Zibton led the Cadets with thirteen points on 5 buckets and 5 free throws.

Marmion 48—Moran Park 32

The Cadets again defeated the Chicagoans, this time by a score of 48 to 32. Lloyd Emge connected for twenty points as the Cadets won their fourth straight game.

Marmion 40—West Chicago 33

At their home gym the Cadets defeated the West Chicagoans for the second time in gaining their fifteenth win in nineteen games. Neil Fichtel led the scoring with five field goals and five free throws to reach 20 points.

Marmion 36—St. Thomas 28

Although off form the Cadets beat St. Thomas of Rockford in their return game 36 to 28. Lloyd Emge collected 17 points on 8 buckets and 5 free throws to lead the scoring.

Marmion 41—Morris 31

Sparked by the Higgins twins a tough Morris team fought to the last second, but were turned back 41 to 31. Wally Zibton garnered eighteen points on eight buckets and two free throws to take scoring honors.

Marmion 43—Wilmington 23

The Cadets walloped Wilmington 43 to 23 for their seventh win in twenty-two games. Lloyd Emge and Ed Bell collected seventeen and fourteen points respectively to take high scoring honors. The Cadets' defense in second quarter was outstanding as Wilmington scored only eight points in that half.

Marmion 49—Batavia 40

A vastly improved Batavia team played the Cadets on their feet in the first half as they left the floor at the half at the long end of a 23 to 22 count. The Cadets came back in the second to win as Neil Fichtel scored seventeen points in the second half to take scoring honors.

Marmion 31—Downers Grove 28

In their final game of the season the Cadets defeated a tall Downers Grove team to give them a season's record of twenty wins and four losses. The scoring was evenly distributed between Neil Fichtel, Lee Fichtel, Lloyd Emge, and Wally Zibton.

The Cadets showed their greatest accuracy of the year as they hit over 500 per cent of their field goals. Lloyd Emge and Wally Zibton led the cagers with their seventeen points apiece.

REGIONAL TOURNAMENT

Marmion 54—East Aurora 33

In their first game of the regional tournament at West Aurora, the Cadets gained revenge for last year's loss to East High by wallowing them 54 to 33.

Marmion 39—St. Charles 4

After one of their best showings on the previous night the Cadets lost all accuracy as they couldn't hit a single shot in their 39 decision. Although the score was tied 37-all with one minute to play the St. Charles center, proved too much for George Ireland's cagers as St. Charles went on to win. This left the season's record at 22 wins and five losses, or a total of 45 out of the last 52 games.

Tennis

Under the able direction of Father Columban the Cadet netmen are drilling daily in preparation for meets to come. Among teams on Marmion's 1945 schedule are West Aurora, East Aurora, and Joliet and later on will come the District meet in which players will compete in the District to gain the right to go downstate.

Returning squad members are Tom Ralcewich, Dick Miller, Jack Slattery, Frank Butler, Bill Distell and Gene Banner, who all have had some experience. This all points to a successful season. Dick Greenwald, who had shown great improvement last year, has been lost to the armed forces.

First singles this year is handled very capably by Gene Banner, who has shown consistent improvement. Second singles is handled by Alfonso

Garcia, a newcomer to Marmion, who, with practice, will develop readily. Dick Miller competes in the third singles and he has some experience from last year. The first doubles are in the hands of Bill Distell and Frank Butler, while Tom Ralcewich and Jack Slattery complete the makeup forming the second doubles.

At this writing only one match has been completed on the schedule. They dropped a close 3-2 match with the Tomcats of East Aurora, who were led by a boy who traveled downstate last year, Bob Crable. On the first night, the match was halted by rain, but continued the following evening. Marmion won both doubles matches, but East Aurora swept through the singles without a mishap. With continued improvement, the Cadets should find this a successful season.

Track

Under the guidance of Arnold Schaeffer, the Marimion track team has been practicing for the past few weeks. As we go to press the squad has not yet participated in any meets. Although it is impossible for us to know what kind of record they will make, it is possible for us to appraise the squad on the basis of returning lettermen.

Bill Snider, senior distance runner, is back this year. Much weight may be placed upon his ability to make a good showing in the endurance runs. Once again we will see big Al Cook heaving the shotput. Jerry McCoy is back to take his turn with the high and low hurdles as well as is "Rabbit" O'Keefe, Little Mickey Maguire, and "Speed" Goodyear.

Coach Schaeffer may be depended upon to insist upon hard work in practice every day, a policy which is sure to get results. This policy of hard work together with the new interest is an indication that track prospects for the next few years will be good.

Inter-School Boxing

Johnny Coulon Coaches Marmion Boxers

Through the generosity of a friend of Marmion, Johnny Coulon has been engaged to instruct in boxing at Marmion. Lessons will be given once a week to a class of 25 or 30. In addition, there will be personal instruction to individual cadets showing promise and ability.

Johnny Coulon, who is former bantam weight champion of the world (1907-1913) teaches the manly art of self-defense as advance training before entering the service to classes at his gym on East 63rd street, Chicago.

Coulon, now 55, served as boxing instructor during the last war. He tried to enlist as an athletic instructor in the present conflict, but his application was turned down. So Johnny decided to instruct future soldiers, sailors, and marines on his own.

Coulon has sent 101 boys into the service. He expects some of those he sent to the armed forces to return and make names in the ring. At present one of his boys is the kayo champion of the troops stationed in England.

Boxing Tournament

Approximately one hundred and fifty cadets participated to make the occasion a

gala one. Cauliflower ears were in order as fellows ranging from eighty-five pounds to two hundred and twenty pounds took turns swinging the leather. The results of the preliminary bouts were as follows: In the 115 pound class, Ed Leon defeated Jim Ulrich; 130 pound class, Hank Lake beat Ed Weber; 145 pound class, Jack Kennedy defeated Bill Murphy; 100 pound class, Bob Descourouez defeated Fred Montgomery; 115 pound class, Dave Davis beat Nick Riebel; 130 pound class, Jerry McCoy beat Don Smith; 145 pound class, Lou Milani beat Bob Ryan; 158 pound class, Jim Prindiville defeated George Gibsor; and in 145 pound class, Joe DuSell beat Sam Scotti.

In the finals for the school championship, seven bouts were held; the winners to receive gold boxing gloves. The results were as follows: 85 pound class, Bert Seng defeated Bill Ward; 100 pound class, George Fredricks beat Jim Corcoran; 115 pound class, George Olsen beat Jim Guinta; 130 pound class, Pat Manning beat Jerry Hileman; 145 pound class, Ed Saelens beat Bill Sander; 158 pound class, Ed Corcoran beat Tom Devine; and in the heavyweights, Don Thibeau beat Al Cook.

St. Joseph is Catholic Cage Champion Now

St. Joseph grade school cagers annexed the Catholic grade school championship by beating St. Nicholas 27-17 in the finals of their annual tournament at Marmion following a consolation game in which Holy Angels defeated St. Therese 32-27 for third place.

The champs took a 5-1 first quarter lead and added another three point margin with a 9-6 second period scoring which put the half-time score at 14-17. St. Nicholas led 7-5 in the third period but found the winners gaining the verdict with an 8-3 margin in the final frame to erase any chances they might have anticipated in the previous period.

Dieser led the winners with 11 points with Zahosek adding six, while Rangel with eight points and Weis with six led the losers.

The consolation game found Holy Angels jumping into a four point lead 12-9 at quarter time and gaining another two points at half time with a 7-5 second period setup. The winners led 8-5 in the third frame and altho behind 9-5 in the final period scoring still managed to come thru with a 32-27 victory.

Here they are: "Stars of Tomorrow"

After the grade school tournament was over, George Ireland, who had an exceptionally good year with his own team, gathered together those grammar school graduates whom he thought were the most outstanding. As all of these boys are entering Marmion next fall most of them will comprise the freshman team, and perhaps a few years later star on the varsity.

Physical Education Receives Additional Emphasis

The Marmion Physical Education program received a shot in the arm this year with the addition of three new instructors. It was the good fortune of the athletic department this year to have Brothers Lee, Philip and Bernard assigned to help carry on this important work of the physical development of the Cadets.

In the last few years Phy Ed has been very much emphasized at Marmion. Started at the beginning of the war by the statistics given out by examining boards for the Army in regard to the physical fitness of American youth, the school authorities insisted that an added emphasis be given to Marmion's Physical Education program, a program that has always received much personal attention from Father Norbert, the Superintendent of the school.

The schedule of intramural sports developed by Major Ireland at Marmion is well rounded and admirably adapted to the building up of bodily health in a sane, safe, and pleasant manner.

This year the Phy Ed program includes team competition in each football, softball, volleyball, handball in the fall, as well as swimming. When cold weather sets in roller skating, ice skating and basketball are added. The spring period is taken up with tennis, swimming, softball and track.

The groups are divided into Major and Minor leagues, each league having four teams of about 14 Cadets, the rest of the Cadets taking part in varsity sports. Experience in past years has shown that time spent taking part in these sports in a hearty way means less time spent in the infirmary.

Fichtel led his warriors to their title with seven field goals and a free throw for 15 points, while Zibton was likewise top scorer for his club with 11 points from four field goals and three charity tosses. Zibton's boys led 5-3 at the quarter, but were behind 15-13 at half time, 25-16 at the end of the third period, trailing 11-4 in the final period score to give Fichtel's stars the 35-20 margin.

Nihart's squad gained a 7-2 first period margin which they increased to 14-7 at half time. Hess's quintet came up with a 9-2 lead in the third
